**ORDER REGARDING CONSENT FOR
STIPULATION OF DISMISSAL**

21 The Court is in receipt of a stipulation of dismissal with prejudice of individual defendants
22 Mah and Chow. The stipulation seeks the Court's signature. As a Magistrate Judge, the Court
23 cannot issue dispositive orders, such as stipulations of dismissal, without the consent of all parties.
24 28 U.S.C. § 636(c). Plaintiff and Defendant Mah have consented to the jurisdiction of a
25 magistrate judge. (Dkt. Nos. 10, 11.) Defendant Chow has not made an appearance in the case
and thus has not consented. Accordingly, defendant Chow must sign a form consenting to the
jurisdiction of a magistrate judge. For the parties' convenience, the consent/declination form is
attached.

26 Defendant Berti Produce-Oakland, Inc. has not made an appearance, settled, nor filed a
27 consent and its default has been entered. As it is a corporation, it can only appear in this action
through an attorney. *See D-Beam Ltd. Partnership v. Roller Derby Skates, Inc.*, 366 F.3d 972, 973
(9th Cir. 2004). The Court can sever Berti-Produce Oakland, Inc. into a separate action so its
consent is not required for issuance of the dismissal of the other parties. If Berti-Produce
Oakland, Inc. continues not to appear and a default judgment is entered, the Court can issue the
default judgment as a Report and Recommendation to a district court judge since presumably it
will not have consented to magistrate judge jurisdiction.

1 Accordingly, on or before Tuesday, September 23, 2014, Plaintiff and Defendant Mah—
2 the parties with appearances in this action—shall advise the Court whether they agree to sever the
3 claims against Berti-Produce Oakland, Inc. into a separate action to remain with this magistrate
4 judge. Upon the severance and the filing (if any) of Chow's consent to magistrate judge
5 jurisdiction, the Court will sign the submitted stipulation of dismissal.

IT IS SO ORDERED.
